

# Porter & Heckman

Thank you for visiting our website and trusting our company for all of your service needs no matter how small or large they may be.

## 20% Standby Savings

Save 20% just for being on a "standby" list for annual (or semi-annual) routine services.

Routine services are for heating, cooling, electrical, geothermal, and plumbing "checkups"

Limit one coupon per household per season.

"Standby Services" are for customers that are not on a rigid schedule and can allow us to come out to their homes at the spur of the moment. Occasionally we have cancellations or days that are scheduled light for our service technicians and that's when we will be calling on those on the **standby service**. We both win this way, you receive 20% off the regular price of an annual checkup, and our techs get a full work day!

## 5% Web Only Savings

Save 5% on routine (annual or semiannual) service.  
Routine services are for annual heating, cooling, electrical, geothermal, and plumbing "checkups" only  
Limit one coupon per household per season

"Web Only" savings have no restrictions. If your schedule is rigid, and you need to schedule a set time for an appointment then just call the office, schedule your call and use this 5% off coupon when our technician has finished your service needs. This can be used for any routine, annual, or semi-annual services.
